

Espresso grinder Metos Rancilio Kryo 65 OD

Product information

SKU	4157707
Product name	Espresso grinder Metos Rancilio Kryo 65 OD
Dimensions	220 × 385 × 575 mm
Weight	13,000 kg
Capacity	3,5 gram / second
Technical information	230 V, 0,45 kW, , 50/60 Hz, 75 dB

Description

The extreme versatility of KRYO 65 OD can be seen in its many possible operating modes.

The KRYO 65 OD can be activated automatically by inserting the filter holder, or by using the start button on the keypad, and ensures that the desired dose of coffee is ground

instantly, whether automatically or in the “on demand” mode.

The practical, height-adjustable hands-free fork is designed to take any type of filter holder during grinding operations, leaving the barista free to get on with other tasks. Thanks to this instant grinding system you will be able to monitor the total doses of coffee ground, expressed in grammes. This information is extremely helpful for the user, and is of crucial importance for correctly assessing and analysing the consumption levels of a specific blend.

- dose dispensed by start button on keypad or by inserting filter
