Description

The Metos Diamante 90 Touch -series' clear and easy-to-use touch screen offers the user the straightforward operation of the appliances - choose a function from the touch screen, set a value with the adjustor knob and confirm by clicking. You can see all the necessary values on the touch screen.

The Metos Diamante DT94/10TVTC ceramic stove with an open stand has four 4 kW cooking plates. The cooking plates on the unbreakable stove are 270x270 mm and their temperature is adjustable between 70-450°C. The stove has two timers, which alert when the time is finished. Furthermore, the back edge of the stove is slightly tilted, which prevents splashes from dripping behind it.

The Metos Diamante 90 -restaurant series is designed for demanding use in professional kitchens and, thus, the appliances are extremely efficient, functional and stylish. The sturdy structure, straightforward use and easy cleanability enable more focus on preparing the food itself. The Diamante 90 -series appliances are available in either a

table top version or with its own stand, individually or in combination with other appliances. The appliances are laser cut, which guarantees that they can be connected to other appliances to form a clean and stylish look.
