

Refrigerator in stainless steel Metos Midi BC-161

Product information

SKU	4250060
Product name	Refrigerator in stainless steel Metos Midi BC-161
Dimensions	595 x 628 x 830 mm
Weight	51,000 kg
Capacity	net volume 161 L
Technical information	230 V, 4 A, 0,096 kW, 1NPE, 50 Hz
Type of the refrigerant	R600a
Quantity of refrigerant [g]	30

Description

- temperature range +2°C ~ +10 °C
- digitally controlled
- stainless steel both inside and outside
- three shelves (plastic coated steel)
- self closing, lockable door
- right hinged door, not reversible
- static with fan cooling system
- automatic defrosting and evaporation
- inner dimensions: 527 x 489 x 697 mm
