Description

The Metos Diamante D92/10GCIW table top induction wok has a ceramic Ø300 mm, 5 kW cooking plate. When operating the induction wok, the ceramic table top frame does not heat up and the only heat exerted comes from the cooking dish used. Moreover, heat does not collect into or around the wok, only the bottom of the pan and the food inside the pan or dish heat up. Therefore, using an induction wok is quick and safe.

The Metos Diamante 90 -restaurant series is designed for demanding use in professional kitchens and, thus, the appliances are extremely efficient, functional and stylish. The sturdy structure, straightforward use and easy cleanability enable more focus on preparing the food itself. The Diamante 90 -series appliances are available in either a table top version or with its own stand, individually or in combination with other appliances. The appliances are laser cut, which guarantees

that they can be connected to other appliances to form a clean and stylish look.
