

High-pressure cleaner Metos Kärcher HD7/10 CXF

Product information

SKU	4000875
Product name	High-pressure cleaner Metos Kärcher HD7/10 CXF
Dimensions	360 × 400 × 925 mm
Weight	36,500 kg
Technical information	400 V, 4,5 kW, 3NPE, 50 Hz

Description

The HD 7/10 CXF provides impressive mobility, compactness and cleaning performance in hygiene-sensitive areas. Featuring a 15m non-marking hose on a hose reel, a tough, high performance motor and axial three-piston pump, the 7/10 CXF is built to perform in demanding environments. The CXF also features non-marking wheels, light grey covers that are easy to keep clean, and water inlet temperature of 80°C. This machine is therefore ideal for use in food preparation areas and other hygiene-sensitive areas.

- spray gun
- high-pressure hose, 15 m
- spray lance, 840 mm
- triple nozzle (0°/25°/40°), Manual
- integral high-pressure hose reel
- pressure switch control
- infinitely variable pressure and water flow control on the unit
- all parts in contact with water are made from special food-grade brass

- servo Control
- flow rate 250-700 l/h
- operating pressure 10-100/1-10 bar/MPa
- max.pressure 120/12 bar/MPa
