Description

Metos warmer drawer HDM-2N is ideal for storing thin products that are not stacked.

Hold everything from meat to vegetables to rolls in Metos Drawer Warmer HDM-2N. Each Drawer features adjustable sliding vents and individual thermostatic controls to hold a variety of hot foods safely for peak serving periods.

Heavy-duty construction with durable drawer frame and slides.

The drawer assembly shall fully extend to allow removal of pans without tilting. Includes 1 full-size stainless steel 150 mm food pan for each drawer. Angled chrome handle deflects cart traffic. Easy to clean, black power coated exterior for freestanding model.

- two warmer drawers
- each drawer with individual temperature and humidity adjustment
- all stainless steel construction
- adjustable legs 102 mm
- one full-sized S/S 150mm pan included in every drawer

- black powercoated exterior
- narrower than the standard model HDM-2
