

Dishwasher Metos GR800 TR PLUS

Product information

SKU	4195686
Product name	Dishwasher Metos GR800 TR PLUS
Dimensions	1200 × 1010 × 2260/2305 mm
Weight	350,000 kg
Capacity	8xGN1/1, 4xGN2/1, 3xEN
Technical information	400 V, 20 A, 13 kW, 3NPE, 50 Hz, 79 dB CW: 3/4" HW: 3/4" Drain: ø 32 mm

Description

Metos GR-800 is an efficient granule washing machine with heat recovery and Plus rinsing system. The heat recovery system reduces the amount of energy needed to reach the final temperature of rinse water, while the Plus rinsing system reduced the amount of water needed while also guaranteeing a better control and correct dosage of rinse-aid during each cycle.

Metos GR-800 machine has a double-wall body that is fully insulated for high performance with thermoacoustic material. All electrical and electronic components are protected in a separate box that is easily accessible from the front of the machine. Machine comes with 12 washing programs to be used with (6) or without (6) granules.

Standard equipment (included in the delivery):

- Booster pump and brake tank
- Rinse aid container
- Round washing basket for eight GN1/1 or four GN2/1 containers
- Stand for trays (2 pcs)
- Stand for tins
- Utensils rack
- Support for utensils' rack and pots
- Stand for small pots
- Stand for large pots
- Basket lifter
- 12l/9kg washing granules
