

Wine cooler Metos TFW300-2F Frameless

Product information

SKU	4162278
Product name	Wine cooler Metos TFW300-2F Frameless
Dimensions	595 × 680 × 1390 mm
Weight	89,000 kg
Capacity	119 pcs/ 0,75l wine bottles
Technical information	220-240 V, 0,155 kW, 1NPE, 50/60 Hz, 40 dB
Net Volume	250 liters
Type of the refrigerant	R600a
Quantity of refrigerant [g]	60

Description

The wine cabinet Metos TFW300-2F is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos TFW300-2F has a net volume of 250 litres and holds 119 pcs 0.75 litre bottles. The cabinet has two individually adjustable modes with adjustable temperatures of + 5°C to + 10°C / + 10°C to + 18°C. Temperature control and display are located inside the unit. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine cabinet has ten wooden shelves. LED illumination gives bright

and even light and brings drinks to the fore. The light has a separate switch, so closing it does not turn off cabinet cooling. The interior liner of the appliance is black-painted. The equipment has a right-handed glass door and the handle is stainless steel. The door's handedness is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.
