| Capacity     | max. 252/197kg                |

### Description

The Metos MG -ice tank series include a wide range of tanks that allow the right combination with both ice cube and ice flake machines. The ice tanks have a high-density polyurethane insulation and food-grade polyethylene inner walls. A removable seal seals the doorway to reduce ice melting, and allows for manual cleaning. The silver salt treatment of the tank eliminates bacteria and improves the hygiene of the tank.

- can be used to store both ice cubes and ice flakes
- stainless steel construction
- polyurethane insulation
- interior walls of polyethylene
- adjustable legs 135-185 mm
