

Deep Chiller Metos Start MDC70L

Product information

SKU	4247525
Product name	Deep Chiller Metos Start MDC70L
Dimensions	700 × 830 × 2080 mm
Weight	143,000 kg
Capacity	30-42 kg / 4h (+60°C -> +6°C)
Technical information	230 V, 10 A, 1,28 kW, 1NPE, 50 Hz
Type of the refrigerant	R452A
Quantity of refrigerant [g]	750

Description

- the cooling cabinet cooling capacity is 30-42kg + 60°C..to + 6°C in 240 minutes, 16-18 kg +65°C...10°C in 120 minutes (capacity is a guideline and can not be achieved with all food items or under all circumstances).
- after the programme is ended, the machine automatically transfers to storage space (+2°C...+4°C)
- 5 pcs GN 2/1 – 650x530mm stainless steel grid shelves
- grids are easy to remove for cleaning and grid support rail distance is 50 mm
- automatic defrost and hot gas condensate evaporation, manual defrosting also possible
- stainless steel interior and exterior, insulation CFC- and HCFC free polyurethane

- rounded inner corners makes it easy to clean the compartment
- lockable, self closing door, left handed hinging which stays open when door angle is over 90°
- removable door seals without use of tools
- EVJ-control with large and clear display
- temperature alarms
- hermetic air-condensed compressor in the upper part of the cabinet
- sturdy adjustable stainless steel feet

ACCESSORIES (ordered separately):

- additional guide rails
- grid shelves
- foot pedal
