Description

The Metos CBS-1242 Plus coffee brewer is a perfect hot beverage solution for medium- to large-sized venues such as Banquet Halls, Cafeterias and Restaurants. Designed specifically for high-volume batch brewing. Batch buttons are pre-programmed at the factory. If desired the USB port can be used to upload and download recipes.

Cascading spray dome is a patented design which provides even saturation of the coffee bed for maximum extraction. Lime resistant design makes for less service calls.

ECO mode reduces tank temperature during periods of non-operation to cut down on electricity usage.

Plastic brew basket with a capacity of 227 grams and advanced design to provide a deeper bed depth and superior thermal insulation for better extraction.
